

## 2021 IMAGINE MORE GRANT

SILVERMAN founded Andco in October of 2016 with the mission to cultivate social and cultural enterprise in the center of downtown Jersey City. Since launching, Andco has been able to provide the ideal work environment for over 300 local businesses to flourish and grow.

Three years ago, we introduced the Imagine More Grant as a way of uplifting an Andco member who displayed distinct value to our community with the use of imagination and innovation. It is our belief that by recognizing and supporting our members, we can help create a better tomorrow.

This past year has impacted our community in ways we could have never imagined. We want to give back to our city in the only way we know-how. This year, our 1st Place Winner will receive a 6-month stay in their very own private office!

### **Gold (1 Winner): Private Office for six months**

Get the privacy of your own office and still reap the benefits of being a part of a community.

### **Silver (2 Winners): Reserved Desk for six months**

This membership guarantees you the same desk every day. This is beneficial if you want more personal and storage space.

### **Bronze (2 Winners): Open Membership for six months**

Guaranteed workspace in a common area. Just bring your laptop, pick an open seat and get to work.

One winner from the public will also be selected to receive six months of the open membership.
