

## THE IMAGINE MORE GRANT

SILVERMAN founded Andco in October of 2016 with the mission to cultivate social and cultural enterprise in the center of downtown Jersey City. Since launching, Andco has been able to provide the ideal work environment for over 300 local businesses to flourish and grow.

Last year, we introduced the Imagine More Grant as a way of uplifting an Andco member who displayed distinct value to our community with the use of imagination and innovation. This year, the \$5,000 grant will be divided into the following tiers:

- **Gold:** \$2,000 (1 winner)
- **Silver:** \$1,000 (2 winners)
- **Bronze:** \$500 (2 winners)

For 2019 we are expanding our selection pool by inviting the public to apply. We hope that by providing financial support we can empower our community to turn their innovative ideas into the companies that will shape the future of Jersey City.

One winner from the public will also be selected to receive a one year Andco open membership.
